DELTA Summer School

**For deaf primary school
aged children and
their families**

Saturday 22 July –
Tuesday 25 July 2017
Cardiff, Wales.

Every year, DELTA runs a Summer School.
We do this to provide information,
support, and encouragement for families
who wish to learn more about how their
deaf children can learn to listen and talk
following a **Natural Aural Approach**.

deaf education through
listening and talking

www.deafeducation.org.uk

DELTA Summer Schools provide advice, support and encouragement to families who want their deaf children to learn to listen and talk.

The children and young people are looked after by teams of qualified and experienced volunteers.

The youngest can have fun in a well-equipped crèche whilst the older ones join in activity groups of their own age and interest.

What is covered? Parents take part in informal discussion groups and workshops, led by experienced lecturers, parents, audiologists and teachers. Typical topics, will include:

- Advising on everyday maintenance of hearing aids, cochlear implants and radio aids
- Supporting listening, language & literacy in the home & the school
- Facilitating access to whole school curriculum
- Making the most of the support available to you

The atmosphere is friendly, welcoming and informal. There is time to talk with other families and volunteers, many of whom are young adults who are deaf or parents and siblings of children and young people who are deaf.

There are always opportunities to speak with qualified volunteers about specific concerns.

Why should I attend? Because DELTA is the only charity helping your deaf child to listen and talk as one of the family through the Natural Aural Approach.

Previous families recommend us:

- ✓ 'DELTA is a unique resource for parents such as us it is likely to make a vast difference to our ability to support our child to the best extent.'

- ✓ 'Empowering & thoroughly worthwhile; very informative.'
- ✓ 'Uplifting, inspiring and affirming'
- ✓ 'We have had the most amazing time. Feeling there is hope for the future.'

Who can attend? All families of babies and children who have a significant hearing loss and who wish their child to learn to listen and talk will find the Summer School beneficial.

DELTA will be running two Summer Schools this year, one focussed on supporting families with Preschool children and a second supporting Primary school-aged children. All family members and interested friends and supporters are welcome.
